

AP2 features for lab practical in addition to torso model sheet: Spring 2024

Ear model

EAM

Tympanic membrane

Eustachian tube/pharyngotympanic tube

Semicircular canals

Cochlea

Eye model

Sclera

Cornea

Iris

Pupil

Lens

Fovea centralis

Retina

Choroid layer

Vascular model

Brachial artery

Femoral artery

Aorta

Inferior vena cava

Celiac trunk

Superior mesenteric artery

Inferior mesenteric artery

Kidney model

Capsule

Renal cortex

Renal medulla

Pyramid

Greater calyx

Lesser calyx

Renal pelvis

Ureter

Glomerular capsule
